

Universal Online

Part C EI Curriculum

What: A national curriculum that includes evidence-based early intervention practices.

- ⇒ **Mission and 7 Key Principles**
- ⇒ **Foundational Pillars of Early Intervention: Family Centered Practices, Children’s Learning, Natural Environments, Adult Learning and Quality Teaming**
- ⇒ **Authentic Assessment in Early Intervention**
- ⇒ **Teaming Tidbits**

Curriculum Features:

- Narrated asynchronous, online, interactive modules with embedded videos and learning activities
- Original PowerPoint files with scripted notes
- Facilitator’s Information Guides that provide guidance for using the materials, extended learning opportunities, and supplemental resources
- Check for Understanding activities to help assess a learner’s knowledge
- Modules and materials are adaptable for state-specific information and can be used as training tools and family resources

Why: To share consistent, research-based methods and materials with states and their training and TA providers.

Who: The [Early Intervention-Early Childhood Professional Development Community of Practice \(EI-EC PD CoP\)](#), formed an [EI Curriculum Workgroup](#) comprised of members with extensive experience developing and delivering early intervention training.

Where: Materials and resources are located at the following web address: <http://universalonlinepartceicurriculum.pbworks.com>

How: Materials are reportedly being used for preservice instruction, state and local professional development, reflective supervision, and State Systemic Improvement Planning (SSIP)
